

## Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Providing solutions, services and products so as to increase the productivity and to ensure efficiency within industrial, commercial and residential environments, Ingersoll Rand is very proud provider of products that help improve the safety, comfort, security and health of individuals all over the globe.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building services, parts support and advanced controls utilized for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies sector provides solutions and products that improve their clients' productivity, operations and energy efficiency. The product range is diverse ranging from pumps and tools, fluid and material handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles designed for people and companies.

Recognized brand names like for instance Trane and Schlage compromise the Residential Solutions business, delivering efficiency, comfort and safety to home owners all across North America. Several of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies offer products that ensure productive, secure and safe environments. This division's market leading products include door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Well-known brand names such as Schlage also provide time, attendance and personal scheduling systems.
