

Trek Parts

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy offering items that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

When required, the workers within TREK and its many dealer members in both parts and in technical support will be available. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment ready and working daily is top priority. The company's top of the line technology delivers dependable machine which ultimately lessens your cost of cleaning. The service, the product and the price all work as one to be able to make them an industry leader.
