

Nissan Forklift Part

Nissan Forklift Parts - Nissan prides itself on attaining total consumer fulfillment when their buyer is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with strong production principals, Nissan Forklifts supply some of the best materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four independent production facilities that allow them to persistently adapt to their consumers continually evolving requirements by providing an assortment of modern ideas and concepts.

The Nissan Forklift North and South American base is situated in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to sustain environmental responsibility by using techniques that diminish the global influence of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their clients demand while being an environmentally conscious corporation.

Nissan is assured that they will be able to address any buyer queries or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community sanctioned sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
